

My Name is Ayah **اسمي الآيه**

By Noha Abdel-Mottaleb

With Illustrations by Francesca Sternfeld

Noha Abdel-Mottaleb's *My Name is Ayah*, deals with ways in which children in the Arab world must address, not only personal relationships, but also the preservation of the environment.

Set in Alexandria, Egypt, with beautiful illustrations by Francesca Sternfeld, *My Name is Ayah*'s unique English and Arabic format provides the reader with the thoughtful story of a young girl finding her personal voice as she confronts issues affecting her friends and family, as well as the community in which she lives.
